2026 KDZA CHRISTMAS ROCK SCAVENGER HUNT™

OFFICIAL RULES

NO PURCHASE NECESSARY TO ENTER OR WIN. A PURCHASE WILL NOT INCREASE THE CHANCES OF WINNING.

1. Sponsor and administration

The 2026 KDZA Christmas Rock Scavenger Hunt™ (the "Contest") is administered by Mountain Radio Group Inc. ("KDZA" or "Sponsor"), P.O. Box 63228, Colorado Springs, CO 80962. KDZA operates from 1935 Jamboree Drive, Suite 170, Colorado Springs, CO 80920, and from the Pueblo Community College Student Center, 900 W. Orman, Pueblo, CO 81005. The Contest presenting sponsors are Minnequa Works Credit Union and Pueblo Community College. The $1,000 Second Chance Drawing sponsor is Scooter's Coffee.

2. Eligibility

Open only to legal residents of the United States who are eighteen (18) years of age or older at the time of participation. Residence in Colorado or within KDZA's listening area is not required. Employees of Mountain Radio Group Inc., its affiliates, participating sponsors, prize providers, and competing radio stations, together with their immediate family members and persons living in the same household, are ineligible. Void where prohibited by law. KDZA may require proof of identity, age, and residency.

3. Contest schedule

KDZA will conceal one official KDZA Christmas Rock™ at a date after December 18 and before December 25, 2026. The exact hiding date will not be disclosed in advance. The public hunt will conclude when KDZA has authenticated the official Rock and verified an eligible Grand Prize winner, or at 5:00 p.m. Mountain Standard Time on Thursday, December 31, 2026, whichever occurs first. Once KDZA confirms a verified Grand Prize winner, the hunt ends immediately and no further hunt clues will be issued. Reporting a discovery or submitting a claim alone does not end the hunt. The deadline for submitting a Grand Prize claim remains 5:00 p.m. Mountain Standard Time on December 31, 2026; claims properly submitted by that deadline may be verified afterward as provided in Sections 6–9. If the hunt ends early following verification of a winner, no additional Grand Prize claims will be accepted after KDZA announces the verified winner. KDZA may provide clues and conduct promotional Rock Showing events on dates and at times it announces.

4. How to participate in the Rock Hunt

Participants may follow KDZA's announced clues and search for the one official KDZA Christmas Rock™. The Rock will be hidden in a publicly accessible location that requires no purchase, admission fee, trespassing, or special permission to access or retrieve. The official Rock may contain identifying characteristics or a code used by KDZA to authenticate it. Possession of a similar-looking rock, knowledge of a code, or a telephone or email claim alone does not establish a winner.

5. Safety and permitted conduct

Participants must obey all laws, traffic rules, posted signs, property restrictions, and directions of property owners or authorities. Do not trespass; dig; damage or disturb property; enter closed or restricted areas; climb structures; obstruct traffic; or engage in dangerous conduct. No clue requires unlawful or unsafe action. KDZA

intends to place the Rock in a location it believes can be accessed lawfully and reasonably safely, but each participant is responsible for their own conduct and surroundings.

6. Reporting discovery by telephone

An individual claiming to have found the Rock must call KDZA at 719-359-9336, select the "I Found the Rock" telephone-menu option, and complete the notification process before KDZA announces a verified winner and in all cases by 5:00 p.m. Mountain Standard Time on December 31, 2026. The caller must provide their name, a working telephone number, and any additional information requested by the telephone system. Merely dialing, choosing the menu option, or leaving an incomplete message is not a valid claim. If KDZA's telephone claim system is unavailable due to technical difficulties, a claimant may instead email christmasrock@kdzaradio.com with their full name, working telephone number, and a statement confirming possession of the official KDZA Christmas Rock™. A backup email must be received by the same applicable claim cutoff. KDZA may review telephone records, email timestamps, and reported technical difficulties to determine whether a claim was timely and qualifies for the backup procedure. No website-based claim or verification process is available.

7. Physical presentation and verification

KDZA will contact a timely claimant to arrange a meeting with an authorized KDZA representative. The claimant must physically present the original, authentic Rock within two (2) business days following KDZA's initial contact. The contact day is not counted. Business days are Monday through Friday, excluding federal holidays. KDZA may approve an extension in its discretion. The Rock should not be mailed or left at a KDZA location without an agreed appointment. Authentication of the Rock, eligibility checks, and completion of required documents are conditions of winning; a timely December 31 call may be verified after that date.

8. One Grand Prize claimant; disputed claims

Only one eligible individual who physically presents the one authentic KDZA Christmas Rock™ may claim the Grand Prize, subject to timely notification, authentication, and all other requirements. Joint claims are not accepted, and KDZA will not divide the prize. Groups or families must designate one eligible adult claimant. Telephone or email notification alone does not establish entitlement to the prize. KDZA may investigate suspected theft, tampering, fraud, or other misconduct and disqualify noncompliant claims. No new claim may be submitted after the December 31, 2026, 5:00 p.m. Mountain Standard Time deadline, or after KDZA announces that a Grand Prize winner has been verified and the hunt has ended, whichever occurs first. KDZA may review competing claims submitted before the hunt ends and must resolve any such claims before confirming the winner.

9. Grand Prize

One (1) Grand Prize of ten thousand dollars ($10,000), payable by check, is available to one eligible person who makes a valid claim before the hunt ends and no later than 5:00 p.m. Mountain Standard Time on December 31, 2026, physically presents the authentic Rock, and completes all verification and required paperwork. If no eligible claim is submitted by the applicable claim cutoff, or no claimant ultimately satisfies these rules, the $10,000 Grand Prize will not be awarded. No cash substitute, assignment, or transfer of the awarded prize is permitted.

10. Second Chance entry opportunities

One (1) Second Chance Prize of one thousand dollars ($1,000), payable by check, is available through a drawing. Eligible participants may register one (1) time in person at each separately scheduled official KDZA Christmas Rock™ Showing event, including when a sponsor hosts more than one showing at the same business or address.

A participant must be physically present at each showing to enter. A participant may receive assistance completing a form, including from KDZA staff, but may not register an absent person. Duplicate entries at the same showing, proxy entries, online entries, mail entries, and telephone entries are not accepted. No purchase is required.

11. Second Chance forms and closing

All entries must be complete, accurate, and legible and contain usable contact information. KDZA may reject duplicates for the same showing, illegible forms, and forms with missing or incorrect information that prevents reasonable contact. Registration closes at the conclusion of the final officially scheduled KDZA Christmas Rock™ Showing event. The Grand Prize winner is ineligible to receive the Second Chance Prize, even if previously registered.

12. Second Chance drawing

The Second Chance drawing will occur no later than January 7, 2027. If the $10,000 Grand Prize check presentation takes place before that drawing, the Grand Prize winner will draw two names at the presentation: the first potential Second Chance winner and a second alternate. Otherwise, an authorized KDZA representative will draw the names by January 7, 2027. The drawing is private; entrants need not attend. KDZA will video-record the drawing. KDZA may draw additional names if needed to identify an eligible winner.

13. Second Chance notification

KDZA will attempt to notify the first selected entrant using the information supplied on the entry form. A potential winner must respond within seven (7) calendar days after KDZA's initial notification attempt and complete eligibility verification and required documentation within the timeframe reasonably specified by KDZA. If the selected entrant cannot be reached, fails to respond, is ineligible, or does not complete the required process, KDZA may move to the alternate and then additional drawn names. The same procedures apply to alternates.

14. Prize payment and taxes

Both prizes will be paid by check within thirty (30) calendar days after the winner successfully completes eligibility verification, provides all required identification and tax documentation, signs any required prize-acceptance and legally permitted release forms, and satisfies all applicable Official Rules. Winners may be required to provide government-issued identification and IRS Form W-9. Winners are responsible for applicable federal, state, and local taxes; KDZA will provide tax reporting forms when required by applicable law.

15. Publicity and recordings

To the extent permitted by law, acceptance of a prize constitutes permission for KDZA and its promotional partners to use the winner's name, hometown, photograph, likeness, voice, statements, and video or audio recordings relating to the Contest for promotional and publicity purposes without additional compensation. KDZA may record the Rock presentation and Second Chance drawing. Any additional releases required by KDZA must be consistent with applicable law.

16. Releases and limitation of liability

By participating, entrants agree to follow these Official Rules and accept KDZA's decisions regarding administration and eligibility, subject to applicable law. To the maximum extent permitted by law, entrants release Mountain Radio Group Inc., KDZA, participating sponsors, their respective owners, employees, and agents from claims arising from participation, travel, searching, property damage, personal injury, prize

acceptance, or prize use, except where liability cannot lawfully be waived. Nothing in these rules requires an entrant to waive rights that cannot be waived under Colorado law.

17. Administration and technical issues

KDZA is not responsible for telephone outages, dropped calls, carrier problems, incomplete messages, undelivered email, lost or damaged entry forms, printing errors, or events beyond its reasonable control, subject to applicable law. The designated backup email procedure in Section 6 applies only when KDZA's telephone claim system is unavailable due to technical difficulties. KDZA may investigate irregularities, reject fraudulent or noncompliant claims, and take reasonable corrective action. The December 31, 2026, 5:00 p.m. Mountain Standard Time deadline remains the latest possible claim deadline; the earlier cutoff following announcement of a verified winner applies as described in Sections 3 and 8.

18. Privacy

KDZA may collect names, telephone numbers, contact details, and information necessary to administer claims, Second Chance entries, eligibility, prize fulfillment, and tax reporting. Information will be used for contest administration and handled under KDZA's applicable privacy practices and legal requirements. There is no separate online Rock verification website. Taxpayer identification information should be collected and stored securely.

19. Disputes and governing law

The Contest is subject to applicable federal, Colorado, and local law. Except where prohibited by law, disputes relating to these Official Rules or the Contest will be governed by Colorado law. Any forum-selection, arbitration, or additional dispute-resolution provision should be reviewed and approved by Colorado legal counsel before publication.

20. Rules and contact

For questions about these Official Rules, contact Mountain Radio Group Inc., P.O. Box 63228, Colorado Springs, CO 80962. To report finding the Rock, call 719-359-9336 and select "I Found the Rock" before the deadline. If the telephone claim system is unavailable due to technical difficulties, use the backup email christmasrock@kdzaradio.com as described in Section 6. Second Chance entries must be made in person at official Rock Showings.
